Family Preservation Services

## FAMILY COACHING PROGRAM

**COMMUNITY  
BASED SERVICE  
THAT PROMOTES  
THE STABILITY  
AND WELL-BEING  
OF CHILDREN AND  
FAMILIES**

Family Coaches provide services to families in or near crisis with the goal of preventing out of home placement for the children in the family or as a part of the reunification process.

### **ONE-TO-ONE COACHING**

Family Coaching is designed to provide in-home, hands-on, practical parenting development and education aimed at families who are in or near crisis.

### **TRAINING AND EDUCATION**

Supporting and developing parents and providing them with tools to more effectively deal with day-to-day responsibilities and child behaviors.

### **INFORMATION AND REFERRAL SERVICE**

Families will be linked to resources that will help them to meet any unfulfilled basic needs, promote self-sufficiency, strengthen personal development, and/or address needs that may impede effective parenting.

### **MEETINGS AND SUPPORT**

The Coach will attend and participate in team meetings, school meetings, and/or court hearings, making recommendations for treatment programming.
